THE ORANGEMEN IN WINNIPEG TAKE UP MRS. BREWER'S CASE

Board of Control in Winnipeg is Asked to Make Investigation of the Circumstances of Case.

APPEARS TO BE MATTER FOR GOVERNMENT TO DEAL WITH

St. Boniface Hospital Receives no Direct Civic Grant, But Only at Direction of Province.

Winnipeg, Jan. 22.—Winnipeg Orangemen have taken up the case of Mrs. Brewer, who complained some weeks ago that she had been denied admission to the bedside of her sick husband in the St. Boniface hospital, with the result that a letter from a special committee of the Winnipeg Board of Control this morning. The committee, charging that Mrs. Brewer was discriminated against because of her religion and relating the cause, asks that the city should investigate the whole matter and if the facts are found as stated should discontinue any grant of civic funds to the St. Boniface institution.

That the action of the committee in making the last named recommendation was taken under a misapprehension of the relations between the city and the hospital, was immediately recognized by the board of control, and it was decided to receive a delegation from the committee on Tuesday afternoon when the whole matter would be explained.

Controller Graham and Controller Douglas explained that there is no

HON. C. J. DOHERTY, Minister of Justice, before whom the arguments in the A. & G. W. railway disallowance proceedings were made and who announced this afternoon that the Federal Government could not interfere.

grants from the city to the St. Boniface hospital. The hospital enjoys charter rights from the provincial government exactly similar to those of the Winnipeg General Hospital, and under the provincial law the city is compelled to pay at the rate of \$1 per day for patients of Winnipeg who are unable to pay their own bills. In this respect the hospital is exactly on the same footing as the General Hospital, and the city has no choice in the matter.

REFUSE TO DISALLOW A. & G. W. LEGISLATION

Federal Authorities Reject Application Made For Disallowance

Ottawa, Jan. 22.—This afternoon in the House of Commons Hon. C. J. Doherty, minister of justice, will announce that the government has decided not to disallow the legislation of the Alberta government in regard to the Alberta and Great Waterways railway. The provincial government passed a bill taking over the seven million four hundred thousand dollars raised by the company on its bonds, and disallowance was asked for. The reason, which the government will give for rejecting the application for disallowance is that it would, as against established precedent to disallow such legislation, the rule having been established that it is inadvisable to interfere with the province in the administration of purely provincial affairs.

Hon. A. J. Sifton, premier of Alberta, requested his answer given at the time the legislation was introduced, that all and only title claims for expropriation in connection with the railway will be assumed by the provincial government. The decision of the federal cabinet is admitted to be a distinct victory for Premier Sifton and the Alberta government. Throughout the argument before the minister of justice, Hon. C. J. Doherty, Premier Sifton stood out. He absolutely refused to compromise upon his statement made in the legislature at the time the legislation, which the railway company sought to have disallowed, was introduced, namely, that the government would repay only bona fide claims against the railway.

On the first charge a fine of \$100 and costs was imposed, in default three months imprisonment. He is at present serving time in this charge. \$50,000 FOR BIG BOUT

New Haven Men After Johnson and Flynn Match

New Haven, Conn., Jan. 22.—An offer of \$50,000 to arrange a bout between Jack Johnson and either Jim Flynn or Al Fisher has been made by Howard Brown of this city, and Matt Larkin of San Francisco. Brown is a wealthy sporting man and is president of the Edgewood Athletic Club, which has run many boxing matches than any other organization here in five years. Brown said, in speaking of his scheme with Larkin, I will give \$50,000 to stage the bout at Lighthouse Point July 1. We will post a certified check for the amount named by the bout to given by the New Haven authorities. The fighters themselves are agreeable to the scheme. Flynn has agreed to come for \$10,000. Fisher for \$5,000. Although I have no definite figure from Johnson, I am told that he will come for \$10,000, leaving \$15,000 for incidental expenses of the match. The men will box either 10 or 15 rounds if matched.

Lighthouse Point, the proposed scene of the bout is a picturesque resort where the Connecticut Regatta plays Sunday baseball games.

A letter from Toronto city council last week advised that the shipwrecked persons who were selling cheap sized meat prices in the city will be continued had probably been in the eastern city before they came here. MILD WEATHER PREVAILS

Another remarkable day of weather prevails in Edmonton. At two o'clock yesterday, the thermometer registered 45 above zero, with every indication that it might go even higher. The sun shone out brightly, shedding rays of agreeable warmth, completely upsetting all prophecies that a cold snap would follow the rain that fell one week ago. The temperature has been rising gradually for several days. The freezing point has not been reached since Saturday morning. Edmonton has experienced two cold spells so far this winter. On November 19, the thermometer dropped to 37 below, and on January 16, it went to 44 below, the lowest point.

PREPARE FOR SPRING SHOWS

Preparations are going rapidly ahead for the spring shows under the auspices of the Edmonton Exhibition Association. At the meeting of the association board of directors Thursday afternoon, George Long and R. J. Manson were chosen as members of the committee in charge of the spring exhibitions. On the board will also be two members from each of the brother associations and the officers of the Exhibition Association. This plan, it is believed, will give added impetus to interest in the shows to be held during the spring months and bring better results than has heretofore been possible. A. K. Stock, a meeting of the Alberta J.C. Stock Association has been called for Thursday afternoon at 3 o'clock to discuss matters in connection with the spring shows.
